WBS36089MS-BK

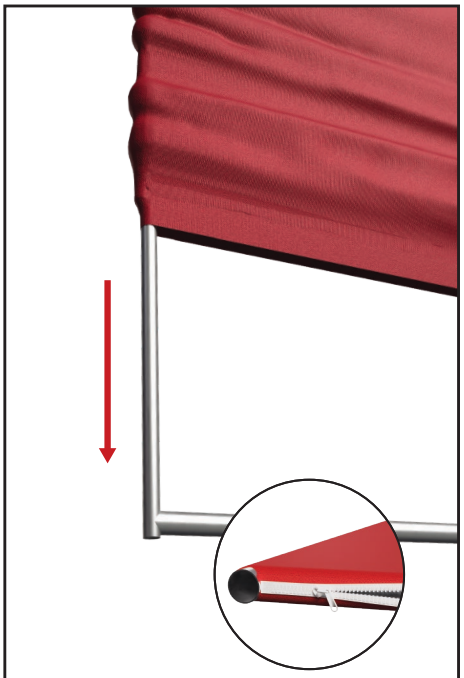
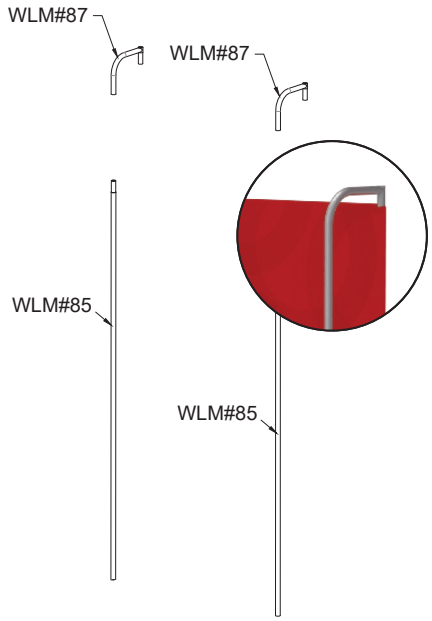
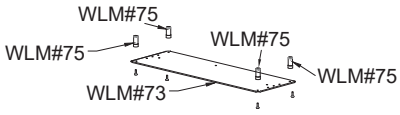
1 Lay out parts according to the assembly diagram and push the pipes together to build the backwall.

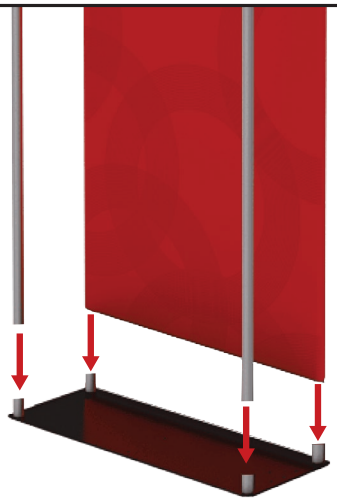


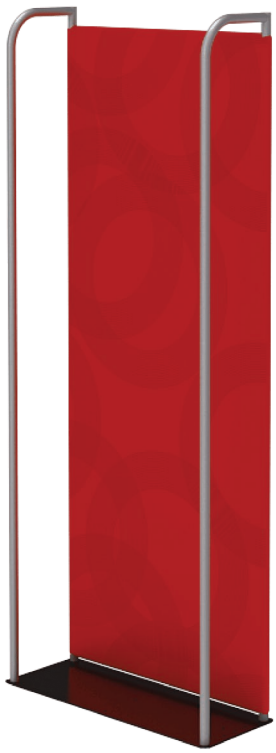
2 Feed the fabric from the top of the backwall frame, only a few feet at a time. Close the zipper.



3 Assemble the support poles and connect the corner poles (WLM#85) to the backwall corner poles (WLM#35).







4 Attach WLM#75 to the metal base. Then insert the backwall and support poles.
