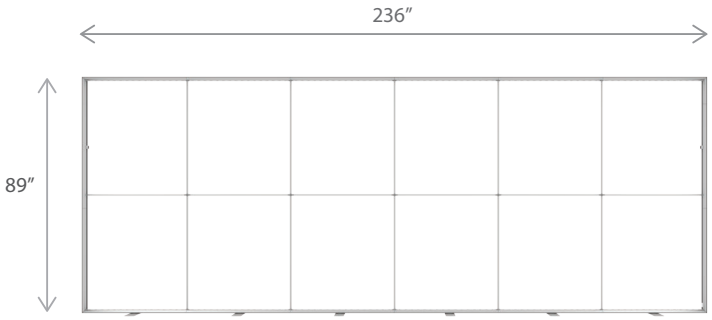
StraightLine®

SLM-2000W2



100% post-consumer recycled fabric
one planet®

PRODUCT DESCRIPTION

StraightLine SEG display systems feature convenient tool-free assembly, durable light-weight frames, and silicone-edge graphics printed on exclusive One Planet recycled fabrics with impressive vivid graphics, all conveniently organized within molded inserts in a heavy-duty shipping case. Panel W2 provides ample space to effectively present brand messaging and add engaging features such as TV mounts for the ultimate 20ft exhibit.

Upgrade to double-sided graphics, mix-and-match with other StraightLine panels, or combine with WaveLine and BrightLine displays, to create unique branded environments. TV mounts and counters complete an enhanced experience to help brands stand out.

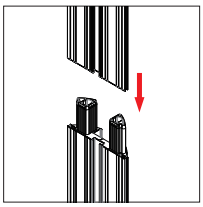
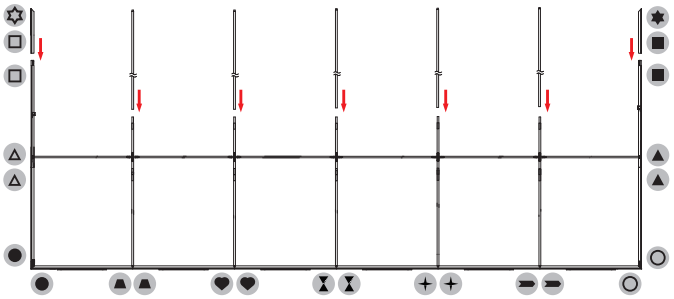
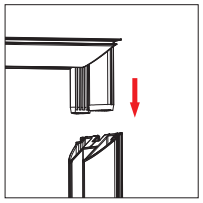
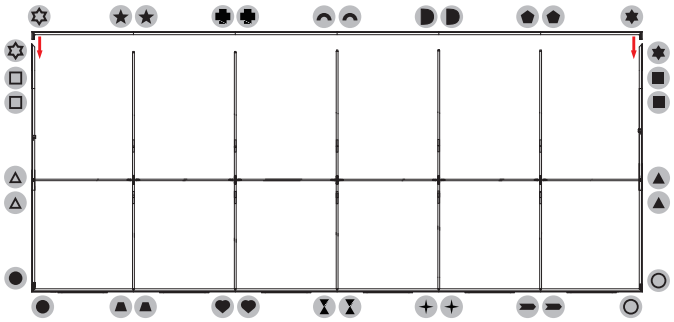
4



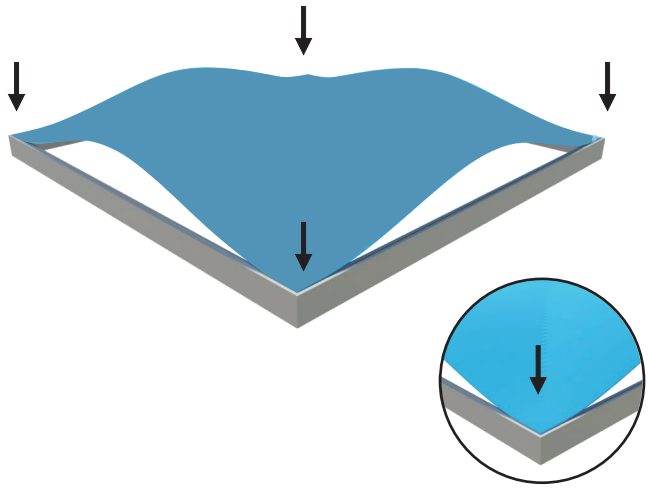


5

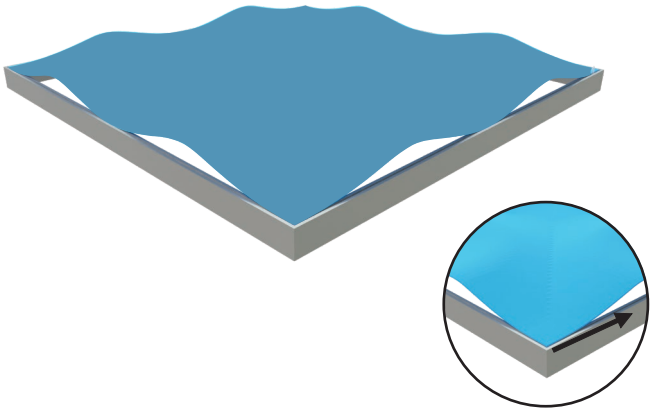


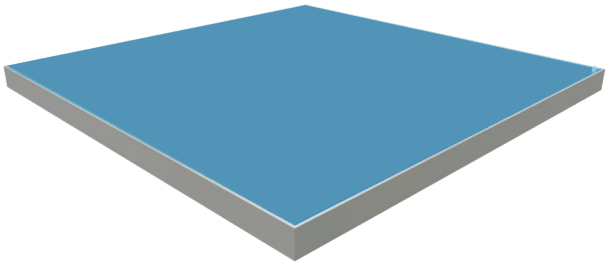


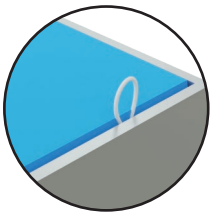
5 Push the silicone bead into each corner of the frame with your thumb.



Push the siliconebead into the middle of the run and work your way around the perimeter of the frame until all beading is pushed in properly







To Remove Graphic
Use the pull tab located on the graphic and gently pull the graphic from the frame, going around the perimeter
