

#### **PRODUCT DESCRIPTION**

BrightLine smart light box displays feature swift tool-free installation, durable light-weight frames, embedded LEDs, and exclusive One Planet recycled fabrics with impressive vivid graphics, all conveniently organized in a heavy-duty shipping case. Panel P engages with its radiant allure, with an 8ft size that is perfect for corporate presentations, networking events and retail activations.

Mix-and-match with other BrightLine panels, or combine with WaveLine and StraightLine displays, to create unique branded environments. TV mounts and counters complete an enhanced experience to really make brands stand out.
